**Don't Overlook
The Seybt Property**

This tract of about 125 acres is for sale. It lies about a mile from town, and can be bought in tracts from 10 acres up, and there's money in it. The price now is \$125.00 to \$175.00, according to the land—and ten years from today you couldn't buy it at TWICE this price.

Prof. C. W. Riser bought fifteen acres last week, and is going to build out there on the new road that has recently been made through this property.

Let us show it to you.

**PRESIDENT INVITED
TO ATTEND OCT. 14?**

SPECIAL COMMITTEE TO GO TO WASHINGTON TO SEE HIM

HOLD COTTON DAY

At Centennial Celebration at Pendleton and it is Thought Wilson Will Come.

Col. J. C. Stribling of Pendleton was a visitor in the city yesterday and stated that a committee consisting of Dr. Riggs of Clemson college, Congressman Lever and a representative of the Southern railway would go to Washington within the next few days to wait on President Woodrow Wilson and ask that he come to Pendleton on "Cotton Day" during the centennial celebration and that if it is impossible for him to attend, to send his personal representative, W. G. McAdoo, secretary of the treasury.

The cotton question is one of the greatest importance before the American people today and it is believed that President Wilson will accept an invitation to come to Pendleton on October 14. The committee, which will go to Washington, will emphasize the fact that never before in the history of the country has there been so much stress on the cotton situation, and that people in all walks of life are immensely interested. All agricultural colleges have signified their intention of sending a representative to Pendleton on October 14th, and Dr. Riggs will today urge all cotton growing states to send representatives on that date.

The transportation committee of the farmers' society composed of B. M. Aull, W. H. Mills, G. P. Browne, J. R. Vandiver, J. C. Stribling and Miles Hunter, met in the office of Capt. J. B. Anderson, superintendent of the Blue Ridge railroad, to discuss reduced railroad rates and extra train service for the three days of the centennial celebration. Capt. Anderson declared that it would be a pleasure to run as many trains as needed, and that he would cooperate with the people of Pendleton by running trains up and down the road every afternoon and every morning so that the visitors can find accommodations during the nights. The people of Pendleton will be able to take care of only a limited number of people at night, and the extra train service will relieve matters considerably.

The transportation committee asked Capt. Anderson if it were possible for the railroads to give the rates always given for the state fair. The committee wants the rates to apply from all points in South Carolina, from Augusta, Charlotte and Atlanta. The superintendent explained that the matter of rates from points outside of the state would have to be taken up with the interstate commerce commission at Washington, and that the rates from points within the state would have to be taken up with the railroad companies operating in the state. He said that he would take up the matter with the commission and the railroads immediately and that he felt reasonably sure the railroads would grant attractive round trip rates for the centennial.

Col. J. C. Stribling, president of the society, announced yesterday that the officers and executive committee of the society will meet at Pendleton at 3:30 o'clock Thursday afternoon for the purpose of adopting a final program for the three days of the centennial celebration. It is highly important that all officers and members be present.

**TO HOLD BIG PICNIC
AT WILLIAMSTON PARK**

COLE L. BLEASE WILL BE SPEAKER IN THE AFTERNOON

CHANGED HIS PLANS

Had Canceled Engagement But Later Decided He Would Be There Saturday and at Iva.

Mr. F. L. Martin of Williamston was a business visitor in Anderson yesterday and announced that on next Saturday there would be an all day picnic at the Williamston park at which time Messrs. Joe H. Ashley, J. Mack King and Winston Smith would make addresses in the morning and Mr. Cole L. Blease to speak at 3 o'clock in the afternoon.

The public is cordially invited to attend this picnic. Several days ago it was announced that Mr. Blease would speak at Williamston next Saturday afternoon and at Iva that night. Because the Red Men in this section of the state were planning to have a convention at Chick Springs Saturday afternoon at night, and it was impossible for them to be at Williamston Saturday, they asked that he postpone his engagement until later. Ex-Gov. Blease agreed to do this but yesterday the Red Men decided not to leave Williamston until 3:30, thus giving them time to hear Mr. Blease before going to Chick Springs. Mr. Blease will also speak at Iva Saturday night as first scheduled.

**CHARGED WITH MURDER
NEGRO LODGED IN JAIL**

SHOT AND KILLED NEGRESS IN BELTON YESTERDAY MORNING

TOOK TO THE WOOD

But Was Later Captured By Chief of Police of Belton—No Eye Witnesses to Crime.

Lawrence Earle, the negro who yesterday morning shot and killed Mamie Jones, a negress in her home at Belton, was captured yesterday afternoon about 4 o'clock after a telephone message had been received by Mr. Joe Martin, chief of police of Belton, which stated that the man was hiding under the house of a negro by the name of Breazeale, which is located about two and one-half miles out of the town.

Messrs. Olin Sanders and J. R. Williams, deputy sheriffs, went to Belton yesterday morning about 8 o'clock after Sheriff Ashley had been notified of the killing. They carried bloodhounds but owing to the fact that so many people had been around and about the house where the shooting had occurred, the dogs were unable to pick up the trail.

The officers in company with others began to search around over the country for the negro and followed up several false reports as to his whereabouts. About 12 o'clock they went to the home of Breazeale looking for the negro but were unable to find him. Sheriff Ashley was notified yesterday morning that Earle had been seen around Cheddar and he went there. He later joined the deputies and were with them when they arrived at the house just as Chief Martin was bringing the negro from beneath it.

It is not known who telephoned Mr. Martin as to Earle's whereabouts but when the message was received he, Dr. Haynie and Mr. Graves started for the scene. When they arrived they found the negro under Breazeale's house. He was later turned over to the county officers and is now in the county jail.

Story of Killing. There were no eye witnesses to the shooting but from the testimony as brought out at the coroner's inquest yesterday morning it appears that Earle had been going to see the Jones woman and had become jealous of her. Yesterday morning he went down to see her.

Witnesses who heard the shots state that they heard screaming and the pistol shots. They then saw Earle come from the house running with a pistol in his hand. Four shots were fired from a pistol, all taking effect. One went through the index finger of the woman's left hand, another through her left wrist, a third through her right arm and a fourth through her back and into the left lung, severing an artery.

Earle stated last night that he went down to see the woman and that while there they got into a fuss. He says that she had a knife and was hemming him up in a corner when he shot her. He also stated that he went directly to Breazeale's house yesterday morning and was under it when the county officers made the search.

**HAVE SELECTED MAN
FOR BROGON OFFICER**

F. M. CARTER HAS BEEN RECOMMENDED FOR APPOINTMENT

EXPERIENCED MAN

Having Been Chief of Police at Hartwell, Ga., for 20 Years—Resident of Anderson.

Mr. F. M. Carter has been selected for appointment by the sheriff as policeman at the Brogon mill to succeed Mr. W. C. Gordon, who was removed by Sheriff Ashley upon petition said to be signed by residents at the mill.

Mr. F. M. Carter has been living in Anderson about two years and was formerly a resident of Hartwell, Ga., where he was chief of police for 20 years. He has been residing on Fant street but has now moved over to Brogon mill.

Mr. Carter has been highly recommended for the place, three ex-mayors of Hartwell testifying to his character and to his capability to hold the position to which he has been chosen. Since being in Anderson Mr. Carter has been put on duty as policeman in this city and he is well recommended by Mayor Godfrey and Chief of Police Simmons.

Mr. Carter has the reputation of having a cool head in time of danger and of always knowing what to do when the occasion arises when it is necessary for an officer of the law to take charge of a situation. He is well experienced and the people generally will feel that the Brogon mill management has secured a good man to succeed Mr. Gordon.

**FLEISHMAN BROS.
OCCUPY NEW PLACE**

ARE NOW IN OSBORNE AND PEARSON OLD PLACE

FOR SEVEN YEARS

Have Been in Wilhite Store Room on East Side of Public Square—Have Complete Stock.

Today Fleishman Bros. will occupy the large store room up until last night occupied by the firm of Osborne and Pearson. For the past few days Mr. S. Fleishman and a large force of clerks have been busy packing up goods preparatory to moving.

It was announced several weeks ago that this change would be made on September 1. Osborne and Pearson announced one year ago that they would sell out and quit the mercantile field and their moving from their old stand is the result of this.

The firm of Fleishman Bros. has been located in Anderson in the Wilhite room on the east side of the public square for the past seven years and during that time it has built up a large business. The firm has been in business about 20 years, having stores in North and South Carolina and in Maryland. It now has six stores located in North and South Carolina.

"I have shipped all of my old goods away," stated Mr. S. Fleishman yesterday. "The stock in my new stand will be the largest I have ever kept in Anderson and will be the most up-to-date. I have enough goods to fill the entire store room and I expect to do a large business. Everything in stock is new and will please the most exacting."
